Veolia Ukraine subsidiary in Chernivtsi celebrates its 20th anniversary

On November 24th Veolia subsidiary in Chernivtsi city, Altvater Chernivtsi company celebrated its 20th anniversary in Ukraine. This outstanding event welcomed in Winston Hall the representatives of Chernivtsi City Council, Heads of communal services, business representatives of the region, partners of the company and Top management of Veolia Ukraine.

Altvater Chernivtsi company begins its countdown in 1996. For 20 years the company has managed to achieve significant results, gain invaluable experience and express themselves as one of the major player in waste management area in Chernivtsi region.

The gala evening was opened by the Head of Ukraine region Mr. Matthias Vogel. «Celebrating of the 20th anniversary is extremely inspiring. This is a whole story full of lots of significant events, challenges and victories. It is a great honor for us to know that Chernivtsi city trusts our team and appreciates our work. I am fully confident that our experience and hard work will be an important reference and guide for a further development of our company, Chernivtsi city and the whole Ukraine.»

During his greetings, Managing director of Veolia Ukraine company Mr. Korolyuk Olexander shared with the guests some interesting memories of the glorious times when the company was founded and wished Altvater Chernivtsi team prosperity, lots of successes and profitable growth for the future.

"Even in this difficult time for our country, it is extremely important for us to maintain a high level of services, exceeding customer expectations, - said the Director of Altvater Chernivtsi subsidiary Mr. Butra Vitaliy. In this way we can contribute for the quick achievement of European standards in the waste management area and environment protection in Ukraine. "

Veolia has been operating in Ukraine since 1995 in the waste management area which represents a core business line on the local market. Today Veolia Ukraine is managing activities through four subsidiaries located in Kyiv, Ternopil, Chernivtsi and Yalta. The company has achieved ISO 9001:2015 certification for all its sites across Ukraine.
